We would like to invite you to come and watch the children's performance on Tuesday, 16th, January at 2.45pm. Your child needs to wear black leggings/shorts/jogging bottoms and either a red, white, yellow or black top. Your child has been told which colour they need to wear.

### ONLINE SAFETY GROUP

As you know, safeguarding is everyone's responsibility - this includes online safety too. We are forming an online safety group to improve the school's approach to online safety and improve staff, pupil and parent understanding on the matter. We are looking for one or two parents to join this group, which will consist of staff, governors, pupils and parents. You do not need to be an expert on online safety, instead we are looking for people with an understanding of apps, platforms, games and influencers that are popular with children and teenagers. We need a range of different perspectives to help build our knowledge and best approach. If you are interested in being part of the group, or would like more information, please speak to Mr Jewell.
