### MESSAGE FROM MRS BOWDEN

It has been an incredible year with so many exciting events taking place including concerts at the Church, Carnglaze Caverns and the Royal Cornwall Museum.

Huge congratulations to all the children who did so well in their phonics, Key Stage One and Key Stage Two tests. We are very proud of all the children and their commitment to learning.

The PTA continue to make a huge difference to the school with the purchase of staging and lighting equipment which has enhanced performance for this year; we are very grateful.

We are very lucky to have a dedicated and committed team of staff and governors at St Neot School who believe strongly in a comprehensive ethos; promoting equal opportunities for all with a clear focus on the individual. We aim to ensure that all children can learn and achieve their full potential in a climate where everyone feels safe, valued and respected.

A special thank you to all those volunteers who come into school and make a difference, whether it is hearing the children read, supporting sports events or participating in educational visits.

Have a safe and happy holiday.

### GOODBYE MRS COTTON

Today we say goodbye to Mrs Cotton who has worked at St Neot School since October 2006. We send her our best wishes for her new career in teaching and thank her for her dedication to the school. We will miss you.

### THANK YOU

Thank you to the Y6 children and their parents who have given the school a time capsule filled with mementos of their time at the school and of events that have happened this year; it was buried in the school grounds today. The children will come back at the end of Y11 to dig it up and hold an assembly.

### SCHOOL COUNCIL

This week we had a reply from the Parish Council to our letter about the bridge in the Doorstep Green. They said they would put an anti-slip surface on the bridge soon.

### LETTER FROM THE VICAR

Please see overleaf a copy of a letter from Rev Philip

### JRSO NEWS

Last week the JRSOs wrote to Cormac asking if the zigzag lines and hatching could be repainted as they are so faded. We received an immediate response and Cormac have promised to do the work in the autumn term. We hope this will help to provide better road safety for us all.

### DONATION

We were delighted to receive a cheque from the Stuart House Trust for £100 as a thank you to the choir for taking part in a concert a few weeks ago. Mr Hollingdale came in personally to present the cheque and to thank the children.

### READING

Don't forget that it is important to continue to listen to your child read during the summer holidays.

### GARDEN TOOLS

We have received a donation of garden tools from Tool Shed South West who collect old returned garden tools from garden centres, take them to Dartmoor Prison where they are refurbished then given away to schools.
