NATIONAL TESTS

Huge congratulations to our Year 6 children who excelled in this year's tests. While the national average for meeting the expected standard in all three subjects was 53% St Neot children achieved a magnificent 90%! They all worked incredibly hard in the run up to the tests and weren't at all worried about them. We would like to thank all the adults who helped the children in preparing for the tests.

PARENT SURVEY Some people said on their survey that they didn't feel well informed about their child's progress. Information is given at parent consultation evenings three times a year, and through the children's annual report. Staff are always happy to speak to parents before or after school if you have anything specific you would like to discuss, just phone the office to make an appointment.

OLIVER!- MESSAGE FROM NICK HART

I just wanted to say well done to everyone. Children never cease to amaze me - the speed with which they pick up songs is phenomenal, and it was a joy to watch them rehearse. I hope they got real pleasure from their performances. There were terrific individual solos, and really thrilling choruses. It came across brilliantly from where I was sitting. It was a very rewarding experience for me to be part of.
