A huge thank you to the PTA, past and present, who over the last two years have helped to raise money towards the following items:

- Tower Climbing Frame / Adventure Log Climber – £18,744
- SMART Board – £3,516
- Christmas presents – £189
- Theatre trip – £1,428

Parent contributions towards school events and activities

A special thank you also to the PTA for their support of Nursery through the purchase of:

- A water tray
- A wooden picnic bench
- A Pop-Up-Play village

These items, purchased in July at a cost of £1,010, have greatly enhanced the Nursery environment and opportunities for play and learning.

We would also like to recognise the fantastic support of our parents and families. Whether attending events, donating prizes, volunteering their time, baking cakes, buying raffle tickets or supporting fundraising activities throughout the year, every contribution makes a real difference to our school. The continued partnership between home and school helps us provide enriching experiences and improved resources for all of our children.

Without the hard work, commitment and dedication of the PTA and the ongoing support of our families, these purchases and opportunities would not have been possible. We are incredibly grateful for the generosity and community spirit shown by everyone involved.
