### Fowey Surf Visit

On Thursday, we went on an incredible surf trip on Fistral Beach. We had three helpful and skilled instructors who helped us and nearly all of us successfully stood on our surfboards by the end. We were really excited and had a great time—we would love to go again! By Abbie

The children were brilliantly behaved throughout, I am incredibly proud of them all. Special thanks to Mrs Rowe, Mr Hopkinson, Mrs Bunt and Miss Zoffman for all their assistance.

### Treverbyn Zoo Visit

Treverbyn Class had a brilliant trip to Newquay Zoo. They were researching their favourite animals and will use their findings to write a non-chronological report in school. Harry said, "I loved the squirrel monkeys—they were small and they could climb really well." Riley said, "The lizards and the insects were really cool. They were tangled up in the tree."

The children were extremely well behaved. Our thanks to Mrs Robbins, Miss Hocking and Miss Rock for accompanying us on the trip.

### READING AT HOME AND HOMEWORK

It is very important that you find time to listen to your child read as often as possible, preferably once a day. Children bring home a reading book and reading record daily, please write in this to let us know how well they have read and what page they are up to.

We have also had a number of children this week who hadn't been prepared for their spellings and times table tests.

These are sent home every week, tests are on Wednesday in Fowey Class and Thursday in Loveny Class and Treverbyn Class. These tests reinforce your child's learning and, while it is fine to encourage your child to be independent, it is important you check that they know their spellings and tables and have completed their homework please.

All pupils arriving later than 8.45am will be marked as late. The EWO (Education Welfare Officer) does monitor this.
