School Meals

After many years of having Chartwell's meals at school, we are pleased to announce an exciting new partnership for 2024. We have appointed Caterlink as our new school meals provider.

Starting from the Autumn term, our school cook's will be producing and serving delicious, nutritious food from our very own kitchen for children and staff to enjoy.

Caterlink will be at all of the classroom expectations meetings in September demonstrating a variety of meals they have on offer.

We hope that you can all attend.

If you are planning on getting your child's ears pierced please ensure this is done at the start of the summer holidays so that they have time to heal.

Congratulations!
