

### FOWEY CLASS VISIT TO POLDARK MINE

On Tuesday Fowey Class travelled to Poldark Mine as part of their topic on 'The Story of Cornwall'. After a rocky start with the bus breaking down and having to wait for a replacement we had an amazing time exploring the tunnels and slopes of an old tin mine. We were told about the working conditions of children who started working at the age of 8 years old. We also heard about the dangers of tin mining and the mythical knockers, and we posted a postcard in the deepest postbox in the UK; the postcard was delivered to school today! We all had a brilliant time and were each given a Cornish half penny by the mine owner David Edwards. Thank you to all the staff and volunteers for their support. Photos are on the Fowey Class page of the school website.

### EMERGENCY EVACUATION PLAN

We're sure you have seen on the news this week about security threats received by Cornwall schools. We have had advice from the police that we must have an evacuation procedure in place for such an eventuality and that if we receive a threatening call we should treat it seriously. After discussion with governors we have devised a plan to evacuate the children from the building safely. Parents will initially be contacted by text message asking them to collect their child from the village car park. If parents have not collected their child within half an hour they will then be phoned. Children will be supervised at all times and their safety is paramount.

### LETTER FROM LOVENY MALE VOICE CHOIR

Remember that if you take 5 meals in a week you only pay for 4 but this only applies if payment is made on the week the meals are taken. Cheques should be made payable to Chartwells.
