MESSAGE FROM MRS BOWDEN

It has without a doubt been another extraordinary year at St Neot School. Father Christmas arriving by Sea King helicopter was certainly a memory that we will all cherish for a long time to come.

We have a school that we can be truly proud of. The governors ensure the smooth running of the school, from the attainment of the children, holding us accountable and making sure the maintenance of the school is of a high standard.

Working with the School Council to provide a happy, safe and secure environment has certainly been helped by our PTA members and their families. The School Council have come up with many initiatives to spend money raised by the PTA including taking the whole school to the pantomime (this will be taking place again in January 2019!).

The Nursery continues to grow with over 25 children attending this year, an amazing achievement when we only started with 6! Working in partnership with the school, children have shown their readiness and keenness to develop their skills and understanding in a stimulating and fun environment.

We continue to welcome the support of parents in every aspect of school life and beyond. The volunteers that come in on a weekly basis are truly an asset to the school. The school plays a huge part in the community; this year they have joined us for roast dinners, high tea, concerts and recently a visit from the Arch Deacon.

All staff work tirelessly throughout the year to maintain a high quality, balanced curriculum for all the children. The extra time that they give shows their dedication and commitment to our outstanding school. I can't thank them enough, and I do this on your behalf too.

Next year is already in the planning stages and it looks like being another exciting and stimulating year. Over the summer a new mezzanine floor will be built in the library to accommodate our rising numbers. This will obviously be a substantial cost and we thank the PTA for allowing us to use some of their money towards the cost of the build.

CONGRATULATIONS to all the Year 6 children who have successfully completed their Cyclewise course. Our thanks to Mrs Bunt and Mr Mort who have led the sessions.
