THE CORNISH CARETAKERS

Report by Oliver. On Thursday we had a visit from Kernow King. He told us about communications like telegraph and phone calls, pigeons and smoke messages, radio, satellite and ships. They got lots of different messages like phone calls and pigeon messages, and there were lyrics to a song which we all sang. In Treverbyn Ed came in and told us about Morse code and other communications. He gave each table a board game with facts, we rolled a dice and moved forwards. I enjoyed it when Emily sent Ed to look at the wall in assembly and they kept being silly.

The actors delivered a short performance in the hall to everyone based on communication through the ages which we all really enjoyed, especially making smoke signals. There are photos on the website under events.

We have been requested by local organisations to include the community events detailed below. These are not endorsed by St Neot School.
