### SUSTAINABILITY

All areas that we have invested Sports Premium Funding into were allocated with future sustainability in mind. Staff have been trained to deliver high quality PE and provide more opportunities for current and future pupils. Through high quality PE teaching and coaching, pupils have shown an aptitude and interest in a range of sports. The skills gained in PE lessons have encouraged more children to attend after-school clubs and local community clubs. Our pupils are currently competing at County Level in Hockey. It is important to us that the children develop their skills and interests further, sustaining the impact of the Sports Premium funding beyond the school gates. At St Neot School we celebrate past pupils who have gained County and GB status.
