Whole School Approach to Teaching and Learning:

- ✓ High Quality Teaching and Learning – All teachers are responsible for the learning and progress of every child in their class, including those with SEN.
- ✓ An inclusive, differentiated and personalised approach to enable all learners, including those with SEN, to engage with all aspects of school life.

Our Graduated Response for Learners:

- ✓ Continual monitoring of the quality of teaching
- ✓ Identifying and tracking the progress of children that require support
- ✓ Identification of children requiring SEN Support and initiation of “assess, plan, do, review” cycle.
- ✓ Consideration of application for Education, Health and Care Plan.
- ✓ All children identified as requiring SEN Support, or with an Education, Health and Care Plan (or statement) are on our Provision Map

How we identify children that need additional or different provision:

- ✓ Class teacher refers to SENCO
- ✓ Ongoing curriculum assessments
- ✓ Tracking progress using data
- ✓ Further assessments by specialists, including those from external agencies

We take a holistic approach to all aspects of a child’s development and well-being. Our pastoral support arrangements for supporting the emotional and social development of all children, including those with SEN, is set out in our School Offer. Our measures to prevent bullying can be seen in our anti-bullying policy.

How we listen to the views of children and their parents:

The Assess, Plan, Do, Review Cycle:

For children/young people on our Provision Map, an Assess, Plan, Do, Review cycle is used by the SENCo in partnership with the child, their parents and the class teacher.

This year, provision made for children on our Provision Map has been:

- ✓ Communication and Interaction
- ✓ Cognition and Learning

During the 2017/18 academic year, we had 8 Children receiving SEN Support and 2 children with Education, Health and Care Plans or Statements of Educational Need.

We measure the impact of this provision by half termly quantitative assessment and ongoing qualitative assessment.

Partnerships with other schools and how we manage transitions:

We work with a number of schools in the area in the following ways:

- ✓ Transition to Secondary Schools.
- ✓ Transition into EYFS from Pre School.
- ✓ Transition into Reception Class from Independent Nurseries or other mainstream schools

This year 1 child requiring SEN Support came to us from our partner schools

1 child on our Provision Map in 2017/18 made a successful move to Liskeard School and Community College and 1 to Greenfields.

We ensure that the transition from Nursery to Reception is smooth by holding Transition Mornings in the summer term and by ensuring each child on the Provision Map has an Individual Education Plan (IEP) in place in September which will continue for review in January.

The transition from year 6 to secondary school is supported through –

- ✚ Taster Days at the Senior schools.
- ✚ SEN General Meeting at Senior School ;
- ✚ Meetings between Feeder School SENCo and SENCOs from all receiving schools to discuss individuals’ needs.
- ✚ The passing on of all SEN files (including an up-to-date IEP) to the receiving schools.
- ✚ All pupils with a Statement or EHCP have an individual Transition Plan.
- ✚ Vulnerable pupils including those who are subject to a TAC will have a specific Transition Plan.

Parents are included in this process through attendance at a general meeting and as part of the final Planning & Review or TAC Meetings in January.

Ongoing development:

We work hard to ensure that any areas of support for our learners that can be improved are identified and that strategies are put in place to make those improvements. We do this through our School Development Plan. This can be found at:
