

## THIS IS THE FINAL NEWSLETTER OF THIS ACADEMIC YEAR.

We would like to say farewell and good luck to Year 6 leavers Brannon, Issy, Daisy, Tom, Sophie, Edward, Ted, Quinn and Anthony.

### MESSAGE FROM MRS BOWDEN

What an amazing year it has been with the children taking part in many events including football tournaments, area sports, singing in the church, theatrical performance and an archaeological dig.

In January we opened our Nursery, an asset to the school. The staff have created a stimulating, inclusive and creative environment where all the children are valued.

A huge thank you to the PTA who have helped to purchase nursery equipment, a clavinova and the story chair this year as well as partly funding the trip to the pantomime. Their dedication and hard work is appreciated by us all.

The outside classroom and decking area have enhanced the school grounds, as well as the canopies donated by Mr and Mrs Smith. At St Neot School and Nursery we are so fortunate to have dedicated staff, committed governors, enthusiastic volunteers and supportive parents to ensure our school remains outstanding in every way.

The children of our school are all incredible. The Year 6 children who sat the national tests showed a commitment to learning and determination to do their very best. All the children at St Neot School have accomplished their annual targets being zealous in embracing their learning. The compliments about behaviour that we receive are incredible, the children are a credit to us all.

I'm sure you will all agree that being part of the community of St Neot School and Nursery is extremely special.

I wish you all a very happy and safe summer holiday.

## **LOVENY CLASS WRITING**

### **EVIE**

My favourite part of this year is new subjects, science and humanities. This year I am proud of my English and my posters and I am also proud of my hockey after school. My best thing in the school is caring for lovely people and being kind. This year I have really enjoyed being in Miss Kelly's class, also all the student teachers are really kind and supportive. I am most excited about trying new hard things next year and carrying on what I am doing and making Mrs Bennett proud. I'm worried about leaving Miss Kelly because I have had her for two years and she is an amazing teacher. I am looking forward to being in Mrs Bennett's and Mr Jewell's class.

### **JESSICA E**

I am proud of my art and handwriting because it was really scruffy ages ago but now it's nice and neat. I am really excited about going on Residential because it's really fun.

### **ELLIE S**

My favourite part of being in Loveny was having friends and teachers to help me through rough days. I am proud of finally becoming a handwriting hero in this class. The best thing about being in Loveny was that the staff are super supportive. I am excited about going on Residential next year.

### **ALEX**

I am excited to be going on Residential next year. I'm looking forward to doing 5 digit column addition, making a bush shelter, learning thermometer scales and maybe being picked for the football team. I am looking forward to my Year 6 SATS so I can get them over with.

### **EMILY ELL**

I was worried about my SATS but I'm glad I've done them it, I'm practically laughing, I am as happy as can be. I am proud of my handwriting. At my old school it was well and truly rubbish, now I can do joined up, such an improvement! I really enjoyed art and maths this year. Maths because of all the things you can do and learn. The trickiest I learnt was grid method and bus shelter. Bus shelter divides and grid method multiplies. I'm most excited about English in Year 4. It will be with Mrs Bennett and she's great!
