# DIGITAL PARENTING MAGAZINE

You child now has the latest edition of Digital Parenting. It has a new format, but still has lots of fantastic ideas and safety tips to help the whole family. Please take some time to look through; it might answer some questions you have about technology. In particular, pages 12 and 13 have brilliant ways for parents to engage and interact with their children digitally, including a housework app for helping children complete their chores! Remember, if you have any questions or concerns regarding technology and e-safety, feel free to speak to Mr Jewell for help and advice.

#### E-SAFETY SURVEY

Please see overleaf for results of the recent e-safety survey. We will continue to work with the children to ensure that they feel safe when online.

#### **E-SAFETY WARNING**

We have received a warning this week that young children have received inappropriate messages via the Fortnite game. Please help your child to stay safe by ensuring that games they are playing are age appropriate and using technology in areas where they can be easily supervised.

#### **BAD PARKING**

One of our children reported a car parked on the pavement outside the school at 8.50 am on Tuesday. It was a grey Renault WK60 WDL.

There was also an incident at the end of the day when a parent and child almost got hit by a car reversing out from the hashed space where cars should not be parked. The parent has

phoned Cormac to ask for the lines to be repainted as soon as possible.

Please park considerately for the safety of all our children, thank you.

## PLEASE SUPPORT BECKY

# LISKEARD SCHOOL ROADSHOW

There will be a meeting at St Neot School on 27th February at 3.30pm for parents of children in years 4 and 5, about transition to Liskeard school

#### BALANCEABILITY

Children in Foundation have been having balanceability lessons this term. The children began with balancing on a beam with a bean bag on their head, then moved on to balance bikes. They are having a fun time learning about road safety

and how to stop at traffic lights and pedestrian crossings.

## **BREAKTIME SNACKS AND BREAKFAST**

Children up to Y2 receive a daily snack through the government fruit and veg scheme which is given to them at morning break. Older children need to bring in their own healthy snack please.

We also get some children who arrive at school not having had any breakfast, which affects their concentration and energy level. Please make sure they eat before they come to school or perhaps consider sending your child to breakfast club, open from 8.00am daily £2 per day, and your child will be given breakfast. If giving your child breakfast is presenting significant problems for you please speak to Mrs Bowden, we may be able to help.

**THANK YOU** to the Cobb family who have donated a lovely fire engine and many books to the Nursery.
