On Wednesday we welcomed Dr Sam Richards to Fowey Class. He talked about his life and how he has achieved one of his dreams of working for NASA, and about following your dreams, no matter who you are or where you come from. He spoke about the telescope he has helped develop which follows galaxies, working out their speed and the direction they travel in. Ted said ' It was really interesting and inspiring listening to him talk about all the places he had visited', Jessica said 'It was interesting to hear how he had designed a telescope'. We have really enjoyed this term's topic about Space and learnt lots of science, humanities and art through this topic. <b>STAMPS</b> We are still collecting stamps for Cry Southwest, As we approach Christmas could we ask you to save any stamps you may have and put them in the box in the foyer, thank you. <b>CHRISTMAS LUNCH</b>				of spellings in time Spellings are imp vs lo as re f Spellings are imp ou Last week we se information need you please retu EMERGE In the event of ba stances Mrs Bow Chair of Governo close altogether. and they will infor	Can you please help your child learn their weekly spellings in time for their test on Wednesday mornings.
