PREVENT

As part of St Neot School's ongoing safeguarding and child protection duties we are fully behind the government's Prevent Strategy.

From 1 July 2015 all schools are subject to a duty under section 26 of the Counter Terrorism and Security Act 2015, in the exercise of their functions, to have 'due regard to the need to prevent people from being drawn into terrorism'. This duty is known as the Prevent Duty for Schools.

At St Neot School, we build pupils' resilience to radicalisation by promoting fundamental British values and enabling our pupils to challenge extremist views.

The statutory guidance refers to the importance of Prevent awareness training to equip staff to identify pupils at risk of being drawn into terrorism and to challenge extremist ideas. All our staff have received Prevent training from the Community Safety Officer (West) and preventing extremism/terrorism lead Cornwall.
