**MENTAL HEALTH AWARENESS WEEK**

Last week was Mental Health Awareness Week and we would like to make you aware of Reading Well. It is a charity for children which provides quality-assured information, stories and advice to support children's mental health and wellbeing. Books have been chosen and recommended by leading health professionals and co-produced with children and families to help children deal with worries, feel better and get through tough times.

The children's booklist is targeted at children in Key Stage 2 but includes titles aimed at a wide range of reading levels to support less confident readers, and to encourage children to read together with their siblings and parents/carers. Many of the books may be available to borrow from your local library. Selected titles are also available to borrow as e-books and audiobooks.
