## A thoughtful message from a parent...

We thought you would like to know that we feel that St Neot school gave our children a solid start to their achievements. Kerensa achieved 3A\* in chemistry, biology and maths. She has just sat the UCAT admissions exam for medicine and came out with competitive marks and will be aiming to start medicine.

Jess also got 3 A\* in biology, maths and further maths, and she has accepted to study maths at Oxford University. Thanks again for the amazing support and learning foundation you gave the girls.

**We are very proud of them both!**

## Music Lessons

If your child would like to take up music lessons there are now places available.

## PTA Meeting

**Parents old and new welcome!**

**Join the PTA – Make a Difference at St Neot School!**

The PTA (Parent-Teacher Association) is a dedicated group of volunteer parents working together to raise extra funds for the children of St Neot School. Through a wide variety of fun, creative initiatives and events, we help bring exciting opportunities and resources to our school community.

Thanks to the amazing support we've received so far, the PTA has funded:

Writing sheds to inspire creativity

New playground equipment to keep playtimes active and fun

A whole-school trip to the theatre, creating lasting memories for every child

But we can't do it without you! We need more helping hands and fresh ideas to continue organising these fantastic events and raising money—so all our children can continue to benefit from these enriching experiences.

Whether you can spare an hour or take on a bigger role, every bit of help makes a huge difference. Join us and be part of something special!

**Come and join us at St Neot School on:**
