

### RESIDENTIAL VISIT

We had a fantastic time on our residential visit this year. The weather was kind to us for the first couple of days; we first went to Bristol museum for a forensics workshop where we investigated a murder scene analysing DNA and fingerprints.

On Wednesday we visited Goodrich Castle, exploring the castle and grounds deciding whether it was a 'show off or showdown castle', meaning was it built to defend or to display wealth. We also thought about the type of people who would have lived there. On Thursday it rained as we went to the Big Pit and took part in a Victorian Empire workshop learning about children working underground and the conditions they worked in, before heading into the pit for a tour of the pit, including seeing the underground stables where the pit ponies were kept.

The children were a credit to the school, their behaviour was exemplary. We thank all the staff who gave up their time, without whom this trip would not have been possible.

Photos are on the school website under the Fowey Class tab of the Pupils page. There is a meeting for parents next Wednesday at 3.15, where you can see more photos and hear tales of what happened on the trip.

We had a really lovely afternoon celebrating the Royal Wedding with over 20 guests from the community. We all sang the national anthem then enjoyed afternoon tea before our very own Megan and Harry cut the cake! We had a display of staff and friends wedding dresses and photo albums. Our thanks to the PTA who worked extremely hard making sandwiches and serving tea.
