

## UP TO DATE CONTACT DETAILS

Can you please ensure that we have your up to date phone numbers and email addresses.

You can contact the school at [secretary@st-neot.cornwall.sch.uk](mailto:secretary@st-neot.cornwall.sch.uk).

## ADVICE REGARDING COVID 19

As you know the continued safety of our children and staff is our top priority.

This is a challenging time for us all. We are unable to provide any certainties at present, but it is important that we respond to all eventualities in a calm and proportionate manner.

The school will be guided by these core principles:

- The safety and wellbeing of all members of our community
- Following government advice and trying to stay open if it is in the national interest

We are following Department for Education COVID-19: guidance for education settings:

- Children and staff should stay at home if they are unwell with a new, continuous cough or a high temperature to avoid spreading infection to others. Otherwise they should attend education or work as normal
- If children or staff become unwell on site with a new, continuous cough or a high temperature they will be isolated in school and sent home
- If you live with others and you or one of them have symptoms of coronavirus, then **all** household members must stay at home and not leave the house for **14 days**. The 14-day period starts from the day when the first person in the house became ill

We will also provide support and reassurance to those who require it. Your full support is appreciated.
